VIP

Simple elegance due to a high quality leather upholstery and a first class sitting comfort due to a spring core mattress characterize the model VIP. These aspects as well as the integrated sofa bed function are an ideal combination for various uses. (Design V. Laprell)

TECHNICAL DATA

Width 164 / 184 / 214cm

Depth 94cm

Height 84cm

Seat width 130 / 150 / 180cm

Seat depth 58cm

Seat height	44cm
Deck height	30cm
Lying surface	130 / 150 / 180 x 200cm
Feet	Legs are made of beech wood, either stained or painted.
Armrests	Due to foldable armrests, the sofa can be easily converted from a sofa to a recamiere to a lounger.
Cover	Leather as standard.
Accessories	Storage box.
Frame	The frame structure is made of beech wood and wood materials.
Upholstery	High-quality polyether with a cover of nonwoven fabric to protect the underside of the cover fabric (upper seat with Bonell spring core). The sleeping area is covered with black cotton-satin and has a springing of wooden flat springs covered with felt.
Function	The seat can be extended by a telescope extension. The seat is formed as a double cushion, the upper part can be folded backward. To complete the sleeping area, the back of the sofas can be turned forward. The armrests can be folded outward.
